1.1.63
a Lesson in the University of The New Covenant
Theodore Cottingham, July 28, 2003
www.NewCovenant.me

1. The altar, a Bible, a pen, bread and wine, the dove, the Cross—all symbols of Me and My interactions with man, My creation, man who are men, women, boys and girls. I love you Ted, and thank you for coming back to sit at My feet. You were so busy last week, so busy.

2. A special time, a special time, you said often to people, for so it was, and is, for My hand is upon them. Your son Christopher and his wife Marci will reign for Me in halls they've never thought of. I gave you perfect weather for their wedding—as you asked. I brought your friends, so many of your friends—as you asked. I protected and blessed—as you asked. And Ted, I came. I was there, and you saw Me.

3. You saw My hand upon them as they stood at My altar. You saw My hand in their tears. You saw My hand in their love—displayed—in tears—in emotion—in Me.

4. I was there and turned the water into wine—I did Ted, I did. And I will—for all who let Me. I came and I was there and I transformed simple acts of kindness and display of affection and vow-ship into words and actions that display Me, reflect Me, embody Me.

5. I loved the communion Ted. I loved them taking, partaking together, the bread and wine on their knees, and even more so, them getting up and serving and sharing communion with all who were there. Two hundred Ted? Two hundred there? Two hundred there? Two hundred you think took communion at their hands, Christopher and Marci, to celebrate Me, Me, Me? Oh Ted, what a seed. What a seed sown into their lives and the lives of those they served—shared with. I will blow on that seed and multiply it and nourish it and bring forth fruit of Me Ted, and in a multiplicity of ways you or they cannot now imagine. For when I am shared Ted, in love, in honor, in respect, in tenderness, in respect, in respect, Ted respect—I come and I don't leave easily. I come and touch that which I only can touch.

6. Alden is of Me and flourish—you shall see. My hand is upon her mightily. Reign for Me Queen Alden—in My court, in My court, in My court, for Me—and beauty you shall see and My beauty reflect through your countenance of Me.

7. Robert I will bless for his kindness to you, for a giver he is, he is. He is, of Me, he is, and are his seed, and Angie are blessed of Me this day. Tell him. Tell him. Tell them and let them ponder and pray over My words this day through

them, and to hold them dear, and seek Me more to let Me flow and show My face to them so clearly, so clearly, so clearly.

8. More Ted, you've just begun. Run, run, run, accelerate and be not even concerned with the details of things you know need done but aren't being done yet. I have called, I have anointed, and I have sent, and they of Me are coming to you, to Me, for Me, to you, to originate and accelerate that which I have spoken.

9. In freedom, in freedom will they come, and in freedom will they apply their hearts and gifts for Me, of Me, in Me, to the products and projects and tasks I have before them. They shall create in freedom with Me speaking and directing and connecting and loving and laughing and empowering them in release of friendship and synergy they have yet to imagine.

10. Freedom. Ted you are about freedom. You are about intimacy with Me and your value system that I have cultivated in you, at My knee, will permeate and pervade and a sure foundation establish.

11. I will grow My kingdom and I will grow it with free people, not slaves, not mercenaries, not those who come to Me for money or to propel their ministry or their self-interests.

12. I give to those who have died. I give My over-abundance to those who have died—died to self and live at My feet. And Ted, I always lift them up to Me—friends be—if they let Me. Some bow low but never let Me pick them up and place them at the positions at My table that I desire.

13. So much, so many, so little.

14. I come, I call, I confirm.
I come, I call, I confirm.
I come, I call and confirm and I'm confirming you with signs and wonders in the heavens and the earth for I have called and you have answered and withheld nothing. You seek Me and seek to go beyond, way beyond your teachers into Me, stripped of all of man's kingdom and wearing only Mine.

15. Tender Ted, tender. Tender be with Mine. It's so easy for you to become impatient and lapse back into the value system of man, of commerce, of mammon, of self.

16. Tender be with those around you and value systems of tenderness be. Create that which waters, nourishes, provides and protects and grows and blesses—not commands, constricts, condemns.

17. Create Ted. I have given you the power to create. Create. Create. Create. I have given you the power to create. I told you years ago to take authority and

Ted, take it and create. Create. Create. Create. I am in you. I am with you. I am for you, for you are Mine and I create.

18. Now don't let logic and rationalization and objectivism rule Me in you. You're free—go create and loose Me and My creativity in all who connect with you, your words, your voice, your teaching, your writing, your flowing forth for Me.

19. Creative be. Create. Create. Create.
You don't have the way "it is" on many things.
They don't have the way "it is" on many things.

20. Ted, I am dynamic and I create and I come and I grow and I connect and synergize and freedomize and globalize like, Ted, no one in history has conceived, not even conceived.

21. Let Me flow in My fullness and watch Me create in you and through you and all those you release Me to create in and through.

22. Oh Ted, create, create this day. Shed the thinking that formality rules and create in Me. Call upon Me and I will show you great and mighty things which thou knowest not. That's from Me and it's to you, it's to Jeremiah and it's to My body. Now call upon Me and create, create, create in Me in the new things that I am doing and I am doing now and I am doing in and through and with all who will let Me.

23. Create I say unto you oh reader.
Create I say unto you oh hearer.
Create I say unto you My student, My child, My man, My woman, My boy, My girl, My Mine, My Mine, My Mine.
Oh create, call on Me and let Me flow, release Me in you and let freedom flow not only in you but out from you, in your gifts, in your talents, in your skills, in your thoughts, in your conversations, in your prayers, in your prayers, in your times of intimacy with Me.

24. Quench not My creativity as I rain forth My creativity in My body. Lead and lift forth those around you and little not be, big be, bigger be. Finite I am not. Infinite I am, infinite I am, infinite I am and I am not limited. Can't you see? Can you hear My plea? Can you grasp My hand and heart this day as My servant, My little servant, sitting alone in this big cathedral pens My plea to you, My child, My love, My friend, My warrior, My apostle, My prophet, My teacher, My preacher, My all, My Mine.

25. Can you hear Me, can you hear Me, will you hear Me? These words are not for My servant Ted alone, they are for My body who will open their hearts and minds and soul and spirits and every facet of their understanding to Me and the new things I do—the new, the new. I am new. I am not old and I'll never be old for

I am ever new. I create and I'll create through you, in you, to you, if you'll let Me flow through you.

26. I am not stodgy. I am not stuck. I am not formal. I am Me and I love My Mine. I love My body and My body is to take authority, the authority I have given them, I have given them, I have given them, and march forth in the fields of every endeavor and commerce and commercial application, with Me in them, coming out of them in creativity and power, them walking and operating in the authority I have given them.

27. Power and authority. Power and authority. Power and authority. Power Ted. Authority Ted. Help My people understand My power, My authority—My power given to them, My authority given to them.

28. Model forth My power and authority in creativity Ted, and free all those who come and call and partake of the bread and wine that you will take to My four corners of the earth—to create, create, create in Me. Not subject to mammon be. Create in Me, create in Me, create in Me.

29. Oh Ted, I come, I call, and I confirm, and those who will come to Me this day and lay hold of the horns of the altar to hear from Me and flow forth in power and authority from My hand—creating, creating, creating—those Ted, will I raise to heights to soar in laughter and simultaneous tears—powerful emotions, deeply fulfilling hurts and wounds of the past—soaring on My wings, healing all who come their way, in creativity of Me, of Me, of Me, of Me.

30. Go create. Go create. Go create.
Take the authority I have given you and use it.
It is given to be used.

31. Not by might, not by power, but by My Spirit. Now Ted, all My creativity operates by My Spirit. Know not My Spirit—know not My creativity, not like I want you to, not in fullness, not in capacity-full using it.

32. Will you yield to My Spirit more, will you oh reader, hearer, viewer, ponderer, wonderer? Will you yield to My Spirit more? Will you lay down your preconceptions of who I am, how I operate, and how I interact with My Spirit to do what I want done?

33. Will you seek correction? Will you seek correction from Me? Will you seek correction from Me, of Me, to you—to let Me create through you, in capacity-full measure?

34. Will you spurn My request, My servant, My power and authority, that I so freely offer you this day? Will you neglect My Spirit and walk continuously in your own ways, or will you walk off your map, out of your comfort zone, into the land I

will show you, so that intimate we can be, and creators both be, allowing Me to create through you, by might and power of My Spirit, My Spirit, My Spirit, in you, alive in you, aliving you, alive, free, free to create and free to do and be and soar with Me, as one.

35. Create where you are—on dirt floors or on marbled palaces of those thought-high. Let Me create in you so I can create through you. Let Me be Me in you so you can be you fully, in My design, embracing Me and My tenderness and My Spirit—right where you are, right where you are, right where you are.

36. I will come, I will create and I will confirm.
I call you now to come and create and I will confirm.
Call on Me in you, now, call, call, call, intimate be with Me and let Me create, create, create.

37. Don't limit Me and I won't limit you.

38. I come, I call, I confirm, I create.
Will you?
Will you come? Will you call? Will you confirm? Will you create?

39. I come, I call, I confirm, I create.
I will Me in you, if you let Me.
I will Me in you—a verb, a verb, a verb—Me.
I will Me in you—if you let Me—
And lovers be—
Creators be.

40. And those who let Me will go from dirt floors to marbled palaces of power—some in the Spirit, some in the natural, some in both.

41. I call, I come, I confirm, I create.

42. My body—create.
My body—create.
To all My body—create. By the power of My Spirit—create.

43. Stagnance, cease.
Slavery, cease.
Mammon-ruling-thinking, cease.
Freedom, release.
Joy and laughter, release.
Creativity in Me—be free.

44. All of My Word interact.
All of My words interact.

All of My words through you interact.
Tell them to read all My words and grasp the interaction.
Grasp Me.
Seek Me.
Embrace me.
I want so to embrace you.

45. Create Ted.
Call them to create.
Call them to create.
Call them to create—now, now, now.
